We continuously have new paper craft creators, Joko Mulyanto is one of them, who also a PERI member. He created a boy paper craft who is a main character from the famous PS1 game "Harvest Moon : Back to Nature". This character does not have a name because gamers can named this boy with whatever they want. Joko can't find any of this character made into paper craft in internet, there is only a dog character, so he made one for himself. He drew this patterns in one night and assembled it in a half an hour. This template is very simple, only has two pages of patterns.
