This paper model patterns was designed by Yudho Wiratomo ([mypapermodel.blogspot.com](http://mypapermodel.blogspot.com)). After a while he finally return again with this nice template, a small yet detailed Humvee M988 I.E.D wheeled light armored vehicle paper model, with 1:50 scale. The patterns itself contains 3 pages in A4 paper size in PDF format, you can see the build photos below and its assembled size compare with our hand. You will need assembly instructions to complete this kit that you can look for it at Yudho's blog.
