Balinese Legong Dancer

The "Legong" dance is the quintessential Balinese dance in all its glory. A classical dance that springs from age-old temple dances performed to appease the gods, the "Legong" is the epitome of grace and beauty. It is characterised by highly stylised slow movements. Its delicacy is heightened by the fact that it is performed by richly costumed young dancers (sometimes only four years old), many of whom retire at the tender age of 18.
