Stormtrooper helmet

Scale 1:6

Time passed very quickly nowadays. Now it's Christmas again. Though it seemed only some time ago I prepared a special paper model for christmas. In fact I do not have time to complete it again. So I will save it for next year, again. As you know, I'm working on a sandtrooper paper model with 1: 6 scale . Last night I had the idea to publish the head template first, with a little touch of Christmas ornament. So here's the head of a stormtrooper / sandtrooper with Santa hat. Suitable for your Christmas tree decoration. Merry Christmas for you all and happy holiday.
