# Sandtrooper paper model

Scale 1:6

This is my first model in 2015. I usually break a figure paper model into several parts, but this time I release the template in just a file. Perhaps there will be a blank template for it, if I got the time. A Sandtrooper is a desert stormtrooper. Sandtrooper armor looks the same as their fellow the other stormtroopers, but with a little bit different in detail. They also have distinctive dirty looked or heavy weathered instead of shiny armor like the stormtroopers have. Their first appearance was in Star Wars IV : A New Hope. Sandtrooper also wore pauldron. Each pauldron color represents a military rank. This orange one is representing a squad leader, which usually consist of 7 desert stormtroopers. When on duty, the squad usually bring heavy weapons and backpacks with them.
